Provex - Garantiezusage

Artikelnummer:

Vekäufer:

Kaufdatum:

KA-Nummer:

Für das oben bezeichnete Provex - Produkt leisten wir gemäss untenstehenden Bedingungen Garantie

Stempel des Händlers:

Provex leistet auf seine Produkte eine Garantie von 24 Monaten. Die Garantie beginnt mit dem Tag der Lieferung und umfasst alle Materialfehler, die bei der Auslieferung vorhanden sind. Die genannte Garantie verpflichtet Provex allerdings nur zur Instandsetzung oder zum Ersatz der fehlerhaften Elemente. anderweitige Ansprüche des Auftraggebers sind ausgeschlossen. Schäden, die durch unsachgemäße Behandlung und Montage des Produktes, sowie durch Einwirkung des Transports entstanden sind (letztere müssen beim Transporteur geltend gemacht werden) fallen nicht unter den Garantieanspruch. Garantieansprüche müssen innerhalb der Garantiezeit unverzüglich beim Wiederverkäufer, bei dem das Produkt erworben wurde, geltend gemacht werden. Jede eigenmächtige Reparatur oder Änderung irgendwelcher Art entbindet Provex von der kompletten Garantieleistung. Der Garantieanspruch für Verschleißteile kann nur in einem begrenzten Rahmen gewährleistet werden.

PROVEX Industrie GmbH
- Qualitätssicherung -

Garantía

Las condiciones de garantía para este producto son las definidas por nuestro distribuidor en el país de venta. Por favor contáctelo si es necesario. Garantía y capacidad de peso solo para productos estándar.

D Reinigung- und Pflegehinweise

1. Keine scheuernde oder aggressive Putzmittel verwenden, auf keinem Fall Verdünner oder Benzin.
2. Provex empfiehlt als Reinigungsmittel: "Meister Propper" oder "General". Nach dem Reinigen kräftig mit Wasser nachspülen.(max 60°)
3. Bei starker Kalkablagerung empfiehlt Provex 25% Essig- Essenz oder üblichen Haushaltssessig.

I Istruzioni di manutenzione e pulitura

1. Non usare abrasivi, in nessun caso diluente o benzina.
2. La Provex consiglia come detersivo "Mastro Lindo". Dopo la pulizia risciacquare bene con acqua.(max 60°)
3. Nel caso di un forte deposito calcareo la Provex consiglia aceto.

GB Cleaning and maintenance

1. Do not use scouring or aggressive detergents, or petrol or thinner.
2. Provex recommends a general Household detergent or "Mister Propper". After cleaning rinse well with water.(max 60°)
3. Provex recommends for lime deposit a vinegar essence (25%) or household vinegar.

F Nettoyage et entretien

1. Ne pas utiliser de produits agressifs d'entretien ni de essences et de diluants.
2. Provex recommande les produits d'entretien suivants: "General" ou "Monsieur Propper". Après le nettoyage, bien rincer à l'eau claire.(max 60°)
3. Pour forte dépôts de calcaire Provex recommande une essence de vinaigre à 25% ou tout simplement un vinaigre de table.

E Limpieza y Mantenimiento

1. No usar ningún detergente abrasivo, disolventes o gasolina.
2. La Provex recomienda usar como producto de limpieza: "General" o "Mr. Propper". Después de cada limpieza aclarar con abundante agua.(max 60°)
3. Cuando existan depósitos calcáreos, Provex recomienda utilizar ácido acético al 25% o simplemente vinagre casero.

NL Raadgevingen voor reinigen en onderhoud

1. Geen schurende of agressieve middelen gebruiken, in geen geval verdunner of benzine. Na reiniging altijd goed naspoelen met water.(max 60°)
2. Bij sterke kalkafzetting beveelt Provex een azijnverdunding van 25% aan of normale huishoudanzijn.
